SUMMER S.T.E.A.M. EXPERIENCE FOR KIDS

JULY 12–31, 2015

www.asteamvillage.org

GREETINGS,

Thank you for the inquiry into your child's participation in the aSTEAM Village Summer S.T.E.A.M. Experience for Kids hosted by the aSTEAM Village National Society of Black Engineers Jr. Pre-College Initiative.

This action packed, hands-on immersion in science, technology, engineering, arts and math summer camp experience will definitely excite, motivate and stimulate your child's mind as they will receive the core skills needed to gain the confidence to pursue an education and career pathway into STEM/STEAM opportunities.
